DOG BOARDING & DAYCARE AGREEMENT

Thank you for choosing Lynneville Labradors for your pet boarding and daycare needs.

Requirements: All canines must be up to date on all vaccines, including Bordetella, Rabies, and DHPP. Official updated vaccination records must be provided prior to entry into daycare or boarding and must be administered at least 3 days prior to either service. We reserve the right to refuse to accept a pet at check in for any reason including, without limitation, if it appears to us that the pet is sick, injured, in pain or that its behavior could jeopardize the health or safety of other pets or our staff.

If your pet has a medical condition or is on any medication, your pet must be evaluated prior to boarding or Day Care and we require a Medical Release to be completed.

1.) You have the option to name an adult (over the age of 18) as your agent or emergency contact. This person should not be traveling with you if you are leaving town. If we cannot reach you, you authorize us to contact your agent. You agree that your agent shall have your full and complete authority to make any and all decisions, including those related to the health of your pet and the expenditure of funds, for or on behalf of you and your pet.

Emergencies: If your pet(s) becomes ill or injured in what is deemed by our employees as nonemergency, and we are unable to reach you, please indicate your wishes below:

_____ Please perform whatever services the doctor deems necessary for the best care of my pet until someone can be reached.

_____ I authorize up to \$_____ to be spent on such medical services.

_____ Do not administer any medical services until specific authorization is given.

In cases we believe to be serious, we will take your pet to the emergency vet first before trying to contact you!

3.) **Liability:** You acknowledge and agree that in an unlikely event your pet is injured by another pet you release LYNNEVILLE Labradors and its employees from any liability for such injury.
